“Daddy... It will be three years this year since you have been gone, and there is not a day that goes by that I don't think of you wishing you were here. The kids are getting older, and you would have gotten a kick out of them. I love and miss so much. The pain never eases, but I am learning to cope. I love you , and continue to rest in peace.

“I had the privilege to get to know and work with Mr. Eugene up until his retirement. Our small team of 3 shared a lot of good memories in that warehouse over the years.

I'll miss you Geno, but won't ever forget you. RIP partner
