“ Ms.Estella Howard .I cant begin to even to imagine enough words or my deepest heartfelt sympathy for my best best long life friend.. "FRANKIE". There was not a moment ever she said no or wasn't there to listen to me whenever i needed to talk to her.I would call Frankie everyday or she would call me.I Would always say "Frankie I'm coming to Webster to see you today and her response would always be "Come on I'll be sitting outside in my yard waiting for you"!When i would arrive she would be and always welcomed me with a loving heart and open arms.I would often spend days at her home eat,sleep,laugh and joke with Frankie. We did a lot of good things together and I would drive and ride with her anywhere she like.We often drove up together to Jacksonville to visit her sister Debrah. I miss my best friend dearly and will never forgot her and all the precocious memories of her.My last spoken words to her was.I'm coming to see you Frankie in a few days and I love you.She said ok because i miss you and I love you to.Yes I saw my friend but not the way i intended.To the entire family please continue to look towards the hills ,God knows best and can't be question.I LOVE YOU ALL AND MY SISTER AND BEST FRIEND "FRANKIE" YOU BETTER BE LOVE IT!
