

Frank Baker, Sr.

November 5, 1937 - June 25, 2025

Frank Baker, Sr., the only child of Wallace and Mamie Johnson. Baker departed this life peacefully at home on June 25, 2025, at 5:17 a.m. with his wife and his son by his side. His wife was praying continuously for him when he said, "Thank you, Jesus," and went to be with Jesus. His parents preceded him in death.

Frank Sr. attended Phyllis Wheatley Elementary School in Apopka, Florida. He graduated from Hungerford High School in Eatonville, Florida. He received a Bachelor of Arts Degree from Shaw University in Raleigh, North Carolina, and a Master of Education Degree from Rollins College in Winter Park, Florida. Frank, Sr. studied continually, taking courses at the A&T University in Greensboro, North Carolina, Pensacola Christian College in Pensacola, Florida, and getting certified in such courses as Notary and Mechanics. He was a member of the Kappa Delta Pi Honor Society.

Frank Sr. worked very hard in the City of Winter Park, building bridges among its citizens, especially in the CRA District. He was instrumental in the development of the Meadows and the Tranquil Terrace Communities. His meaningful dialogue with the city led to scholarships to deserving young men and women in the CRA District. He worked in the City of Winter Park primarily to uplift the people in the CRA District.

Frank Sr. wanted to use his free will to help to make the community included being inducted into Shaw University 5 Hall of Fame as a football quarterback.

His wife, Janie Rae Baker, and his son, Frank Baker, Jr. (Katrina) will cherish his memories; one sister-in-law, Irene Everett Baker; all of his first cousins who were more like sisters and brothers; and a host of other relatives and friends.

“ I am sending my condolences. I am in such disbelief that Uncle Frank is no longer on this Earth. As a young child in North Carolina, I have many fond memories of Uncle Frank. I remember him, Aunt Janie and Frank Jr spending Christmas there. I still can remember Uncle Frank driving up in our driveway. He would bring us boxes of Florida oranges.

They also attended every family reunion no matter where the reunions were. You could always depend on them being one of the first ones in attendance. I know he loved his family for sure. Our family gatherings won't be the same but I will cherish the great memories. I deeply regret not being able to be there with you all. I will continue to keep you all in prayer.
