“ *Cousin Gary, I am going to miss you my friend. We all know that beyond your every challenge, God created something good in you. You taught me how to laugh at life, you were a sailor and your stories inspired me to serve my country. Spending time with you as a young boy while you established your family gave me a taste of being a good father and husband. I will always remember you when you were at your best in life.*

Love,

*Minister Tony Preston
