“ *When mom told me, I was saddened to tears. I didn't know him personally, but remember him greeting me a few times when I came to church with mom. He had the most beautiful spirit and smile as he welcomed me. I will always remember him as a sweet and gentle giant. May he rest in peace and may God give his family and friends much strength during this time.*

Although my mother invited me to church almost everytime I went to visit her, I didn't go that often. But when I did go or participate in church activities, I always knew I would see George. I always looked forward to seeing his smiling face and hanging out with him. He was such a likeable man.

I really will miss seeing your happy face George. My visits to church just won't be the same without you there.

We knew George through our son Jeff Brown. They went to school together. We loved his smile and his laughter. He was a ray of sunshine every time we saw him. We will miss him. His memory will live on!
