“ *To the family,*

*My heart is sadden because I cannot be there with you today. Aunt Bessie will also have a special place in my heart because she was a Great Aunt to me, we had fun together, she disciplined me and shared words of wisdom with me. Her home was the village that me and my siblings and the neighbor kids flocked to daily. Grief can offer a time of special growth, becoming more aware of the importance of living each day to the best of our abilities, and not to look forward in fear because of the changes and chances in life. It can also be a time of loneliness and isolation. Keep your hands in the hand of God, our loving Father and He will give you peace. He loves you, He cares for you, and He will make sure not one detail is overlooked in your life.*

*With Deepest Sympathy, Your Cousin Ann & Family; Kunnika, Darren, Cyncir, Khyna, and Zyera*

“ Just wanted to send my condolences to the family. My heart goes out to all of you during this time of grief for your family. Death is never easy and you can't ever be prepared enough for it. I hope you all can find the strength within each other and your memories of her help to ease you through.

“ *Your Mother, Your Angel*

*You look back on memories you forgot you had,  
And at times you'll smile even though it hurts so  
bad.*

*Your mother is a special woman and no one can take her place,  
You'll find a piece of mind when you remember he smiling face.*

*Your mother is an angel now she flies high above the rest,  
and in your hearts always and forever she will be the best.*

*She has earned her wings and it's time for her to fly,  
I know it hurts no one is ever ready to say good-bye.*

*She knows you do not understand and that you cry at night,  
But as you finally drift of to sleep let her memory hold you tight.*

*She will be your guardian angel through the rest of your life,  
Helping lead you on the path between what' wrong and right.*

*your mother loves you so very much and her love will always remain  
true,  
Please don't ever think for a second that your mother will forget you.*

*A mothers love is like no other in the whole world,  
she has the most wonderful memories of a little boy and girl.*

*She has taken them with her as she's flown away,  
Up to Heaven free of pain which is her new home to stay.*

*So although you can not see her and you wish she could be there,  
Your mother can always hear you and your mother will always care.*

*A mother does not forget the two greatest loves of her life,*

*And she loved nothing more than being your mommy, and your daddy's wife.*

*She is so proud of her family and that's in her heart to stay,  
Even though she's an angel and has had to fly away.*

*So as you cry your tears remember your mother's love,  
Being sent to you from her, from the beautiful Heaven above.*

*She will be there through your good times, she will be there through  
your bad,  
She'll be there when you are happy, she'll be there when you are sad.*

*Your mother has become an angel now, it is her time to fly,  
And you will never know how bad it hurt me to watch you have to  
say good-bye.*

*My Condolences to the Entire Bryant Family*
