

## Gregory Addeson Walwyn

November 5, 1984 - February 6, 2020

We gathered here today to celebrate and share the memories of Gregory Walwyn. Gregory was a humble and loving man. He was always willing to help anyone.

Gregory's passing was sudden and unexpected on February 6, 2020. He leaves (7) siblings behind to share and cherish his memories: Alonzo Sage, Shamar Francis, Taren Francis, Caen Francis, Akeem Walwyn, Shaneeka Solomon and Kadeem Walwyn.

On November 5, 1984, in St. Kitts, God blessed Leroy Walwyn and Lorna Francis with Gregory. He graduated from Verchilds High School in 2001. In 2006, Gregory relocated to Orlando in quest of a better life. He held several different jobs sharing his gift of repair. Ultimately, Orlando Health had the privilege of employing him as a Floor Technician.

Greg was a man of pride and service excellence. He did his job with a great deal of care. He was dependable and reliable. In his spare time, he shared his love of music with friends, family and the community. He loved to see people dancing, laughing and having a good time as he played the latest Soca hits.

Greg leaves behind a host of family and friends too many to count. He also leaves the best part of himself, his son Khaleel. They loved each other dearly.

Greg had many hope and dreams for them. He enjoyed their time together and was never too tired to make time for Khaleel. He was a devoted father and a good provider for his family.

“ Greggor, Things are so different without you. I never would've imagine this happening so soon. But that's life. Kids and I miss your cooking, your jokes, your crazy dancing, your loudness and you just being you. You were a man of very few words, but your heart and demeanor spoke it all! I am glad to know you no longer have pain and feeling weak like you used to, Greggor I'll see you later rest on my love. ❤️💛💚 We Love You ALWAYS!!
