You never said "I'm leaving" you never said goodbye;
you were gone before I knew it, and only God knew why
A million times I needed you, a million times I cried
If love alone could have saved you, you never would have died
In life I loved you; In death I love you still
In my heart you hold a place, that no one could ever fill
It broke my heart to lose you; But didn't go alone
For part of me went with you; The day God took you home.
