“ *I will truly miss Hortense. She and my mom were the planners for our family reunions and I always remember her smile and how it made you feel so comfortable and loved. God graced her with a gift of teaching, for she was the reason I mastered time tables. Take comfort in knowing that she fulfilled her purpose on this earth by the lives she impacted.*

“ I met Ms. Hortense and quickly realized that we both had the same thing in common and that was helping our community and others in need. I was one of the fortunate ones to have met a lady who was not only a giving person but a child of God who really cared about the Eatonville Community as well. I will truly miss her guidance and patience that she had shown with me. To the family, you have my deepest condolences and please know that God is with you.
