“ *Brother Paul awash loving, caring and always had to time listen. For me he was one of the men in church I looked up to as a father figure. He always had good advice. Brother Paul was also one of the funniest guys I knew. Those trips in the van with him elder Chester Bishop Rodney was always fun. The BBQ also was fun and funny. When we would play spades oh my God the talking junk was the best part. Not ashamed to say I loved brother Paul and my Family and I miss him greatly.*

Brother Paul was my neighbor, friend and big brother growing up in Alabama. Our families have always been very close. I have not talked to him in a long time but he and my brother constantly talked. This brother looked out for me during my early years. He helped us become the athletes we were with tough Love. We walked that trail to our house in Georgiana many days. That was our memorial times. I pray his wife and our dear sister Sheila find peace. God bless Brother Paul and his family.
