Tributes From Your Children

Ma, as your children, we have a plethora of memories of you in the kitchen cooking Sunday dinners. Playing your favorite music on Saturdays for us to get up and clean. We grumbled at having to clean up, but what we would do now to hear your voice again. We have the memories of you in Auntie Connie's garage laughing and listening to your siblings reminisce on their childhood with you. We love you and we will continue in the wisdom you have imparted into us. Don't worry, TT will keep Michael in line and we will always remind Kyle just how much you loved him. We love you and we carry you until we meet again...

Your children,

Mia, Tisha Michael, Stephen, Treshun, Holly, and Rasheem
