

Jaimeson Maxwell Dean Williams

February 7, 2006 - October 19, 2022

Jaimeson was born on February 7, 2006 to Rachael Dean and Justin Williams, Sr. in Altamonte, Florida.

From a very young age, he developed a love for music and robotics. He was a French horn player in his high school band at Lake Nona High, where he was currently a Junior. This year, he became an operations leader in his section. When Jaimeson played music, he played straight from his heart. He had extreme joy when playing amongst his bandmates.

In addition, Jameson was a straight "A" honor student in pursuit of becoming a Civil Engineer. His life's core passion was building and design. He loved sweets like ice cream, smoothies and cookies. He enjoyed traveling with his family and recently discovered an adoration for the outdoors while fishing and kayaking, in addition to photography. Jaimeson's smile lit up any room that he walked into. Because of his humble, respectful demeanor, he could make a great impression on everyone he met. His leadership amongst his peers was unmatched, and his generous spirit was a beacon of light and a definition of pure and good nature. His beautiful soul will be greatly missed in this world, a world that he had the ability to change. This is a significant loss to his family and to all who knew him.

Jaimeson transitioned on Wednesday, October 19, 2022. He was preceded in

death by his Great Grandparents Charles and Gladys Haysbert.

Jaimeson is survived by: His Loving Mother: Rachael Dean; His Loving Father: Justin Williams, Sr. (Hope); Brothers: Dominick Edwards; Justin Williams, Jr., Grandmothers: Jeannette Dean Powell (Andrew) Cynthia Mcghee; Great Grandmother: Rosa Little; Aunts: Daphne Dean Jenkins (Craig), Andrea Dean Richardson (Erik); Uncles: David Dean (Maya), Octavious Little (Chantay); and a host of cousins, mentors and sorrowing friends.

“ I just learned of Jaimeson's passing and I'm heartbroken. We were friends in elementary school. We were in the same 3rd and 4th grade classes, as well as being in the gifted program together. I have many sweet memories of him. He was an incredibly bright and kind boy. May he rest in peace.

“ *Jaimeson was my student in ELA I Honors. He brightened the classroom whenever he walked in. Because my class was the last one of the day, Jaimeson and his friends would always draw on the smart board something related to the lesson and kept a photo of the drawing. We had so much fun with their drawings! He did, however, make sure to erase the board afterwards. Last year, Juan and Jaimeson went to my classroom on Tuesdays and Thursdays after school before band practice. They had snacks, laughed, and had a good time. I looked forward to his visits. He was and is such a beautiful soul; his smile was unique. Heaven has gained an angel. May he rest in peace. - Mrs. Puras*

“ I never thought that I would see the day that you would be laid to rest. Your future was bright as a future engineer like me. I miss you nephew. You will always be in my heart. Love Uncle Tavis
