“ *Coach Jones was a class act and I enjoyed talking with him about
life and basketball. We engaged in some epic battles between his
Poinciana and my Leesburg girl's basketball teams. We became
friends through this competition and I am a better person for getting
to know him. Coach Jones did it the right way and we have truly lost
a great man.*

Sincerely,

*Mark Q. Oates, Head Girl's Basketball Coach at Leesburg High
School.*

“ We have all grown up and most of us moved away..but home has and will always be Narcoossee... I remember it being a big deal to us when you came home from college...because blood never determined who was kin...we all called you our big cousin "Jay". I will miss your laughter and smile all while observing EVERYTHING...lol.. You didn't miss a beat. I've often heard "only the good die young"....hmmm....you made me a believer of that. I pray God gives your family peace beyond measure in this season. Rest in Peace "Jay"... Forever neighbors... we "Butler" family miss you already!!!
