She will be truly missed! Her soul departed this life on March 14, 2021. Her departure is a deep and personal loss to her family and friends, she will be greatly missed by them all. Mitchell, two sisters: Roxie Ann Lewis of Houston, Texas and Angela Dean Mitchell of Apopka, Florida; close friend, Larry Floyd; Three nephews; a host of nieces and a veritable host of relatives and friends.

“ *My condolences to the Mitchell Family. Janice was a spirited fun loving person with a beautiful smile. We shared some wonderful years in High School at WP High during our youth days. As we became co-workers at WP Telephone/Sprint, our friendship continued. Her wisdom and remarkable smile always lit up the room. I thank God for our paths in life because she was always helpful and caring. I will miss seeing and talking with her but her spirit will live in all of us. I will miss you Janice but will Never forget you!*

To God Be The Glory!

“ I always admired Janice and considered her to be a surrogate big sister. My fondest memory was my experience with her when she taught me to drive a manual shift car. In her burnt orange Toyota Celica I would choke down, rev the engine to high, roll backwards and grind her gears. As she sat in the passenger seat in her soft voice she continued to encourage me "Don't be nervous, you'll get it." As we came upon a small incline at a 4-way stop, another car was in the rearview mirror. I was a nervous wreck. "Don't worry about them they'll go around; just give it a little gas and ease up off the clutch" she said. As I shot through the intersection that day with tires screeching it was a moment of triumph for me and I'm sure one of sheer relief for her that her car was still in one piece!

My deepest heartfelt condolences to the Mitchell family during this difficult time. I will always cherish the fond memories we shared.

“ Angela, I didn't know your sister personally but I felt like I knew her because of the way you talked about her! Your stong bond with her will never be broken. When you are sad just think about the times you had with her that made you smile! Dwell on those thoughts and you will be more at peace! Love you girl! Heidi & Guy Blakey

“ My favorite childhood memory of Janice is when we were kids riding around in my grandmother's old, old Studebaker station wagon. The car had a rusted floor board and you could see the road pass beneath our feet as we drove around. Janice and I were so embarrassed to be tooling around in that old rust bucket! We sat in the back seat, cover our faces with our jackets and giggled with each other from the experience. That memory will always put a smile on my face.
