“ *Janiya was a truly sweet soul. One filled with kindness and love. She was an amazing student and friend to her classmates, as well as a responsible and loving sister. Janiya always had a smile to offer and was a pleasure to know and love. I offer love and condolences to her family during this time of grief. As a school community, know that we will be with you throughout this time, and wrap our arms around this amazing family. I am proud to have spent the last four years knowing and being a part of Janiya's sweet, young life.*

“ *Janiya was one of the strongest little girls I have ever met. She was always there for anyone who needed someone to either encourage them or to stand up for them. I had the pleasure of knowing her for the past 4 to 5 years working at the preschool her and her brothers grew up in. I will never forget your beautiful smile your beautiful face and your beautiful soul rest in peace baby girl.*

“ *My heart aches. Janiya's beautiful smile, her infectious laugh, her determination to do her best will always be etched in my memory. She inspired her classmates to do their best. She was an amazing little girl. I pray for her family and send my love. I was blessed to be her teacher. I love you Janiya. You will always be an inspiration to me.*
