“ *I do not personally know jasmine, her girls or her family however jasmine recently moved into my neighborhood and turns out McKayla is in my daughters class & they are friends. My daughter came home crying yesterday from school hurting for McKayla after she told her about her mommy going to heaven, she said she made sure she hugged McKayla tight :( my hearts absolutely breaks for each and everyone of you, I can't imagine the pain you all are going thru but I pray God helps you to find comfort. My heart goes out to you all, please please hugs those girls tight for my my daughter & Crissy Stoecker*
