

Javen Caleb Green

June 10, 2009 - August 23, 2024

The day you wagged into my life we bonded from the start. You brought happiness to all my years and love into my heart. There is no other like you; you were beautifully unique. And my heart breaks to not have you here every minute of every week. Even in your absence, there is hope my Lil Man. On that rainbow bridge we'll meet to love and play again.
