“ Jerrica I’m sad to hear of your transition. It has been such a pleasure to have met you in our younger job corps day and see such a beautiful mom and person you are. I’m praying for your beautiful family and thinking of your sweet boys. You have always been so quiet and brought so much joy to the room. I will hold on to our job corps memories and even our conversations throughout life.

“ Hey Jerica it's your cousin laquita but you called me "quita." My love you will truly be missed sunshine, you were the most loving mother and you didn't play about your kids. You would send me videos and picture teaching your kids. We expressed our lives to one another and you told me your deepest secrets while I expressed my traumas to you and you understood my life. Thank you for always listening and loving me as I love you. Rest in paradise baby doll aka cry baby

“ Hey Jerica. It's your cousin Chiquita (one of the twins) I am going to miss receiving text messages from you. The last text was June 11, 2023. I had no clue something was wrong and I'm sorry cousin. One thing you always did was check on me and my kids. Especially my son because my son and your youngest son Carter, share similarities when it comes to personality. Jerica, you always shared pictures via text of things you did for your boys when it comes to learning and decorating their bedroom. You truly loved your boys!! My twin sister (Lala) and I are going to miss attending birthday parties! I love you always cousin.
