“ *still think of you.... I remember your presence. no one deserves what happened to you. I'm sorry. I wonder if GOD saw your heart , heard my prayer , and now your soul is in heaven ? could really need a friend sometimes, see things from a different perspective than me and help through it all... I wish I had been there , maybe things would be different... I could've save you , Rest In Peace - LOVE SNOW*

“ We still in shock..we had so much fun in the past, sleep overs, pillow fights, played games, ate good, late night/early mornings. Never have i thought bad of you nor hear bad news about you. Everything seemed so great the way we all bonded. You stayed in the mirror ugh Jermassioun Why? We wished to call you and pick you up to chill the day before you got killed because then your mother would not shed tears today. It hurts everyone to know your gone forever..hurts to know the last time we saw/see you will be the last time. Hurts us to know that as we grow old we can only remember 20 year old Drey.. Sandra, Synthya, && I will miss you so much!! R.i.p Love..
