“ *There aren't enough ways I can't express how grateful and blessed to have Dr.Adams for my doctor.He took such wonderful care of me and delivered 2 of my children. His wife and family were so amazing in his office during my visits , I even recalled telling him I was so sorry to deliver my baby girl on the evening of his wedding anniversary. He will be truly missed and God bless his wonderful spirit.*

“ *I remember when we were in Linda's old house [ we is family ] and we were all being lazy on the couch and Papa [ Papa is Dr. Jerome Adams ] was not there . So Linda said " Where is Papa, someone go get him!?" " So one of Papa's children [ Jerome Adams Jr. ] had a son named Ashton. So Ashton got up and walked around and looked for Papa. Ashton found Papa, held his hand, and walked to the living room [ where the couch is ] and everybody was happy and laughing with joy. I <3 Papa and I miss him but I know he is in a wonderful, awesome, beautiful, great place. I <3 YOU PAPA

*I am crushed to find out Dr Adams is deceased. I knew he closed his office but I wasn't sure if he just relocated. So I looked him up and just found out. I wanted him to care for my daughter in law who is pregnant. He was one very special person and a great physician. He is sorely missed.*

“ He made such an impact in his profession, family, church and community. He was loved by so many. He will be missed. Be comforted by the knowledge that he is truly in a better place...he awaits heaven, his eternal home. Revelation 14:13 And I heard a voice from heaven saying, “Write this: Blessed are the dead who die in the Lord from now on.” “Blessed indeed,” says the Spirit, “that they may rest from their labors, for their deeds follow them!” With much love and prayers, Harvey & Tonya Drummer and family
