“ Dear Uncle J:
The Lord is my shepherd I shall not want...Thank you for teaching me how to protect myself because you didn't want any harm to come to me "An Uncle". Boxing lessons with you as a kid I really didn't understand at that time but now I do. Love is protection which was your gift to me! So many memories flood my heart but my greatest thank you is that you shared your mother with me unselfishly!
I pray you visit me in my dreams so I can say my personal bye for now. May you rest in heaven and give grandma a kiss for me by the way she loved when you would call and we talked about you when you hung up lol.
Love Always and Forever "Your Nephew"
