“ My Daddy was a very strong and devoted Father that loved his family. He went above and beyond to provide, teach and support us. He was a hard worker. always building something or adding on to something which I admire to this day. He made sure that the values that he held dear to he taught us. His love for his children and family goes without notice. He instilled many valuable lessons in us over our lifetime and today I am knowledgeable of handy work around the house also able to fix certain mechanical issues. I use to think that he was being so hard on me when he made me get out and help cut down trees, dig ditches, cut the grass etc. but now as a grown woman, I see how much those things became essential to my daily life. I can do so much because he taught me how. He told me to never give up on your dream and I plan to keep those words of encouragement locked in my heart. Lord knows I am going to miss my Daddy dearly, I can't hear his voice anymore or even hold his hand but his memory will last forever. I love you Daddy rest easy Love Alway Your Niehbaby Angel
