

John Bolden

September 14, 1950 - July 23, 2025

Johnnie "John" Bolden was born on September 14, 1950, to James and Bessie Bolden in Winter Park, Florida. He was preceded in death by his parents. Throughout his life, John demonstrated an unwavering commitment to his family and community.

From an early age, John professed his faith and was baptized, upholding the values of persistence, education, and devotion. As a lifelong member of Ward Chapel AME Church for over 70 years, he remained actively involved until his passing, contributing to various boards and committees to support the church's foundation and future viability. His dedication ensured that the church continued to serve successive generations, just as it had supported him.

John graduated from Winter Park High School in 1968, excelling in Track and Field, and served as a drum major at Hungerford High School. He pursued higher education at Florida A&M University, where he joined the Alpha X chapter of Kappa Alpha Psi Fraternity Incorporated in the spring of 1969 and obtained a bachelor's degree in business in 1972.

John began his career in the automotive industry with General Motors Inc. in Michigan. In 1983, he transitioned to the Chrysler Corporation, where he held several leadership roles, culminating in his retirement as the Regional Manager of Wholesale Parts in 2008. He forged enduring professional

relationships and was particularly respected for his mentorship, guidance, and commitment to supporting both colleagues and friends in their professional development.

In 1978, John married Blanche Smith in Cleveland, Ohio. Over the next 47 years, their love continued to grow, and they were blessed with two sons, Marcus and Brian, whom they raised with strong values emphasizing excellence, faith, education, and community service. Through example, John demonstrated the values of being a devoted husband, immediate family, and he mentored many young people and acted as a father figure to those in need, offering guidance, counsel, and steadfast support.

His love for giving back to Winter Park, along with 13 other members, led to chartering the Winter Park Alumni Chapter of Kappa Alpha Psi in 1992. John relished in pouring back into his community through the chapter's Kappa League and welcoming dozens of new Brothers into the Bond, including his sons and nephews.

Widely respected for his character and integrity, and since, John approached every relationship with integrity, kindness, and engagement. He took pride in sharing experiences from his academic and professional life, celebrating the successes of loved ones, and participating in meaningful conversations. Whether serving in church leadership, organizing reunions, or maintaining connections with classmates and fraternity brothers, his optimism was evident. John's legacy of generosity, wisdom, and unwavering encouragement continues to inspire all who knew

John was preceded in death by his brothers Willie James Bolden (Dianna) and Eddie Bolden, his mother, Bessie Bolden, and his father, James L. Bolden.

John's cherished memory lives on through his beloved wife, Blanche; his sons, John Marcus Bolden Jessica) of Portland, OR, and Brian James Bolden (Sharell) of Dallas, TX, and his treasured grandchildren, Brian James Bolden II, John Marcus Bolden II, Brantley Royce, and Makayla Lynne. He will also be remembered by his sister, Betty Anderson of Maitland, FL, and his lifelong best friend and confidant, Deborah Kirby of Winter Park, FL. He is also held in high regard by a host of nieces, nephews, cousins, extended family, and many dear friends whose lives were enriched by his kindness, wisdom, and signature laugh.

“ To Blanche, Marcus and Brian. I am at such a loss for words and as John knew about me this doesn't happen often. But when you lose a friend and brother like John, the words don't seem to come the way you you want to express them. John has been one of my closest friends and confidants in the world for over 20 years. We would talk a minimum of two or more times per week. We often talked about our families, friends, church and fraternity, not to mention the good old times at Chrysler. Blanche, Marcus and Brian be encouraged. The God we serve doesn't make mistakes. If he had asked for input with this decision, I would have asked for more time with my Brother. Since he didn't, I take comfort knowing John is with him.

“ To Blanche, Marcus & Brian no words can express my appreciation for sharing your Husband and Dad with me and my family. John, my brother in law shared so much of himself with others. John will be missed by my family and so many others. John was my go to person when I needed answers, encouragement and reassurance. Every two weeks we talked about our faith in God, love for our families, difficulties in our life, our children and how blessed we were to be able to talk to each other. I hope the following words will be encouraging: Earth has no sorrow that Heaven cannot Heal. May God's Grace and the Love you Shared comfort you at this difficult time. RIP my Brother

To Blanche and the Bolden Family my heartfelt condolences. Thank you for sharing John with us. We have known each other all of our lives. John was my special person. We were each other's go to person. I thank God for allowing us to have that wonderful, joyful, joking and serious brother sister relationship. John you paid the trump card that finally left me speechless. I know you love the Lord and I know you are with your father God, but it doesn't mean that I will not miss you..Who am I going to call now? Rest my brother..until we meet again...

To the Bolden Family, Blanche, Marcus and Brian. Please rest assured that the assembly of saints are rejoicing as they have received another saint in the heavenly band. John was a faithful friend and colleague whose laughter was contagious, his smile was disarming and his demeanor was always unassuming. It was a pleasure to have known him for almost 40 years. Working along side of him on the Hungerford Trust we witnessed a man committed to helping the youth of our area and whose tenacity for doing good was unparalleled! May he rest in the arms of the Almighty...
