Reflections of Life

Sol. Yahcanan Immanuel Ben Israel

Yahcanan Israel (John Dorceus) was born on July 26, 1984 to Enel and Ruthza Dorceus in Homestead, Florida. He attended school in Orange County and graduated from CFCA. He then decided to go to college; where he received a Bachelors Degree in Sports and Fitness at UCF.

He began dating the love of his life, Eshel (Ashley) in 2002 and then married in the summer of 2007. They have three beautiful children, Naomi (Jaeda), Yahcanan (John), and Malik (Jordan).

In 2013, he decided to choose a new career path as a Financial Analyst with Primerica. He found this rewarding and he loved owning his own business, helping families secure their financial future through life insurance.

In 2015, marked a new journey in his faith, once he found out he was an Israelite. Yahcanan decided to attend classes at Israel United in Christ, soon after 2 years. His faith and heritage of being an Israelite was extremely important to him. His greatest joy was seeing our people repent and turn back to The Most High God's laws statues and commandments (Deut. 28:15). His

example in how to endure until the end has left a legacy of strength, joy and love to us all. All praises To The Most High for giving us such a wonderful spirit to experience here on Earth.
