“ *Aunt Shirley and Family, Sarah and I are truly sorry for the loss of your beloved husband and our dear uncle. Our Uncle Johnnie B. will be deeply missed and he will never be forgotten. Sarah and I will always treasure the profound love that he had for the both of us. Johnnie B. showed it when he traveled to a small farming community called--Hastings--asking anyone and everyone that would tell him, where he could find Sarah and me. It was though he was on a mission to find his Brother Arthur's children--his nieces that he knew were out there but didn't know where to find us. Well, Johnnie B. found Sarah and I and he made sure to stay in contact and to visit us both regularly. If wasn't able to visit us, he would make it his business to call. Sarah and I really going to miss him. Although He has left this earthly realm, his deep love for the both of us was purely genuine, as was our love for him. It is never easy to lose a love one and this one is especially difficult to bear.*

*With heartfelt sympathy and prayers.
