“ *I miss my Uncle Freddie and My Auntie Johnney Mae Pringle. I think of them often and still shed tears for both of them. They were the realest people that you will ever meet. I am not just saying this because we are blood related . They were more than family. They were my pastors. I miss them so much and the entire pugh family miss them too. They preach about heaven and now they both can walk the streets if gold. I bet my uncle is overjoyed. My Auntie dont have to experience no more pain. This hurt that I experience doesnt seem to get easier. It still hurts. I ask you to pray for the Holy Ghost headquarters family and also our immediate family. I ask that you will continue to pray for our new pastor Regina fencher and Donnell Pringle. As they continue to carry the founders dream and vision.*
