MEMORIES

Sons: Our father told us he would be there for us and he was (birthdays, basketball/football games, home coming dances, and prom). He continued throughout our adult life.

Step-daughters: J.D. would get up early Saturday or Sunday morning, take us to breakfast and then take us on long rides out of town.

Wife: J.D. was a good husband and step-father. I remember how he would hear me say I wanted a certain food. He would go in the kitchen and surprise me with it.

“ I just want to send my condolences to Myles, Mason, and the rest of the Davis family. Coach Johnny! I was extremely fortunate to have him Coach me in little league for the Wekiva Redskins, and Ocoee Cardinals. During that time he was a light and pushed you to be the best on and off the field. I'll never forget all of the laughs, and all of the moments we had together. Thank you for everything! Til we meet again my friend
