“ *To our dear friend Mrs. Katherine. You've been apart of our lives for so many years, and me and mama thank you and (Mr. Mack) for the love you've shown us over the years. We've missed you dearly, but now that you've departed this earthly life, we take comfort in knowing you are resting well. Love always, and forever in our hearts, Shelle, Cynthia, and James Brown, Decatur, Ga.*
