“ I remember as a little girl waiting for the moments I would see you only to never hear from again. Now to find out by Google that you are gone.

“ Kenneth! I've known you since I was just a little girl. You've always been such a kind & sincere man. It breaks our hearts to know that you're gone. I've searched months for you ☹️ I want to thank you for all that you have done but most importantly for being a part of my grandmothers life. I promise to protect her & make sure she's ok. We wish we could've been there in your last moments. We wish we could've have the chance to say goodbye. We love you & will forever miss you. Rest Peacefully
