“ *MY uncle was a great man and maybe he wasn't perfect buttttt..... Then again who is? All have sinned and fallen short of the Glory of God and one thing I will say He taught me how to keep my boxing gloves on for when life and people get kinda funny. May God Bless his soul. AMEN.*

“ *Sincere sympathies to your family. It's very comforting to know that our loved ones are simply resting until Jesus awakens them from sleep. John 11:11-14. May your family find comfort in this hope.*
