I am just so sad because I lost such a great friend and only found out tonight about his passing. Dr. Brown and I started at FAMU together and remained in touch throughout the years. What a special man he was and no one loved FAMU the way he did! May the family be comforted during this time. He was a gift from God on loan to us. Dr. Rob Thomas, Jacksonville, FL

- "My Lord"!!! I had no idea Dr. Kevin Brown had died. I see his picture; I read the description, but I'm still trying to reach a mutual friend to confirm this. 'Guess I'm in denial.

- Even worse, I found out "online" ten minutes ago, while searching for Dr. Brown's business address to stop in & see him.

- I don't normally post messages/threads online, but this is different.

"What an amazing honor it was to have known you", Dr. Brown. -Brazil B.
