“ We were Ladarius' 6th Grade Math Teacher, at Apopka Memorial Middle School. We have so many fond memories of him. When we think of him, "soft spoken, polite, and very apologetic" describes his character. When speaking with him, he would always say, "Yes Ma'am or No Ma'am"! Ladarius has finished his race, and though he may be absent from the body, he is present with our Lord. Amen!

*To our Dear Ladarius! I taught you for 2 years at Apopka Memorial Middle School. It hurts my heart that you are not with us in this earthly realm. To be absent from the body is to be present with the Lord.*
