“ Memories of playing in the neighborhood, going to elementary, middle and high school (St. Cloud) together will be cherished. Larry we were mischief makers. God looked out for us and allowed us to grow and become parents ourselves. I will always treasure those memories of my friend and brother. May you rest in peace and your legacy live on. Sending my love, thoughts, and prayers to family. May God grant you comfort and strength at this most difficult time.

Rest in Heaven!

“Honesty, Integrity, and faith. these are values that many will tell you that they have but, Larry never had to say he possessed these qualities, you could see them plainly and clearly in his character. I will forever be grateful for Larry for taking time with me as a young man, he taught me the value of hard work and gifted me with an unjudging kindness. Even later when I would see him on jobsites, he always lifted my spirits with encouraging words He had a gentle strength about him that many will never understand or be graced with and is something I struggle to emulate. It saddens me beyond words I never will get to have another conversation with him but I know the Kingdom of Heaven is strengthened by his mighty spirit.

“ UNCLE BOOBIE! 🤔

I have so much peace knowing you are no long suffering although it hurts on this side, I know if you could - you wouldn't even want to come back to this evil world! We all long to be where you've now entered! Your new home!

I will miss you fussing to me about the girls taking away your Uber eats because you were spending too much money. 🤔 I'll miss you FaceTiming us faithfully when I was pregnant trying to see if the baby was going to be born on your birthday (he was just one day short) and FaceTiming us once he was born to check on us! I'm gonna miss the reaction of you finally meeting baby boy for the first this time this past Easter! & I'm gonna miss those laughs and smiles on them good days and those eye rolls on those days when everyone would mess with you..I use to say leave uncle Boob alone! 🤔

We will continue to make you proud! Thank you for all you've done for our family 💕 Until we meet again! Please Kiss 🤔 those family members who have gone before us! We now have so many angels 🙏 watching over our family!

Love you twins, Karen and Justin & all the grandbabies! We are here for you all during this time! 💕💕💕

You won. You fought hard and you won the greatest prize any of us could ask for, a place in heaven! We were blessed to have witnessed the miracle of your grand exit, as you took your final breath and we'll never take another breath for granted. We gained the most protective angel anyone can ask for.
