“ *Lent,
You are heavy on my mind today... Amya started school this week. I have been filling out all the usual paperwork, but every time I get to the father portion it brings me back to the reality that you are no longer here. :(We both miss you so much. She has asked me "WHY you had to die" a few times. I try my best to explain to a 7 year old that god said it was your time to go to heaven, but it's hard even for me to accept it, so I know she doesn't understand.*

We love you and miss you!

Love Always,

Kristi

“ *Lent,*

I will always love you. We may have had our differences, but I hope in your heart you knew how much I loved you. I will hold on to our memories & cherish the good times we had. I am so thankful that you gave me our precious daughter. Amya will always know that her daddy is in heaven looking down & watching over her. I miss you so much.

Love Always,

Kristi

“When I first found out the news, I couldn't believe it, I really couldn't.
I was just reminiscing about just seeing you that previous day. You
were a really good cousin, I will NEVER EVER forget you. You left
me with a lot to remember & you taught and told me things that I
won't forget. Even from when I was younger, you would treat me,
Abby, & Mesha like your own children. You were a great cousin,
father, friend, someone to talk to, and much much more. I'll
seriously miss you, rest in heavenly peace.
Love your cousin, Majesty .

“ Lent, I know you are in a better place, and God knows best, but I Love and miss you. You all were like the other set of children that I got to boss around with my own. I know you and Jermaine will sit and talk about the things you (thought) you all got away with. I love you Lent. Love you Aunt Annette

“ Lent, not knowing you like your mother and your aunties, but the time I spent with you was a joy. I remember you always came to see me when I came to visit. I wish I had gotten to know you better, but the good thing is your kids enjoyed you, but the Good Lord had other plans for you. We will miss you but wont forget

“ The most charitable thing was when I was looking at you when you were born, and going to your football games. The laughs and the talks that we had, and the hugs and kisses you gave me. Along with the special moments when you told me that you said you Loved me. I can't forget you stopping by everyday to check on me, and the calls you'd make just to say hello. I will always cherish the smile you always kept on your face; even when you were in pain.

Love Always,
Your Mother
