Leroi and I were side by side in most of our yearbooks from 7th grade through 12th at Apopka Memorial High School. I was very saddened today when a friend told me that he had passed away. I have many fond memories of him. Danita Mitchem-Moradi

“ *My heart is so heavy my friend but I know you would rather be gone from us than live stymied and confined. You lived everyday with love, enthusiasm and compassion. You taught each of us something and left us with a lifetime of smiles and joy. May God send His Comforter to your family, take your rest in His hands. Milton and Ruth Diehl*
