

Ms. Lexanna Slaughter Jones

November 5, 1940 - July 20, 2017

Lexanna Slaughter Jones (AKA) Joann, was born November 5, 1940, in Little Rock Arkansas. Born to the late Earnestine Booker and Will Slaughter. She later moved to Tipton, County Tennessee where she attended school. Later in life, she moved to Tangerine, Florida where she worked in the nursing field as a nursing assistant. She chose this particular career because she enjoyed working with people, with close attention focused on the elderly.

Everyone who crossed paths with Joanne knew that her love for the Lord was unsurpassed. Everywhere she went, she took every opportunity to tell someone about how good God is. Her favorite saying was "God is good, and very good". Joanne loved everyone she spoke to; she called them all family. She never turned her back on anyone, whether, its a place to stay, food to eat, a hug or just a kind word. You always felt better after talking to her.

She enjoyed spending time with family, especially her grands, great-grands, and great-great grands. Even up to the time of her departure, she always had time to share with them.

Joann has touched multitudes of hearts and will be missed by many. Her legacy will continue to live on in those who loved her. May she rest in peace until we all meet again.

I remember you from Forest city Rd. Can't remember the name of the apts. You used to babysit my boys. If I never said it, I'M saying it now, thank you. You were always nice and caring and the boys liked you alot. Again I say thank you for being so kind to me and my kids. Funny I never knew your first name, I only knew Ms. Jones. R.I.P.

“ I would call yu jus to hear some encouraging words. I remember when I called you to give yu the good news that I got accepted into nursing school,, yu jus started praising god and shouting then yu asked me was I gone come take care of yu. I could jus hear the excitement in ur voice. Grandmommy this is hard I jus don't know but as you would say seek ur strength from god. I could literally hear you speaking those words. But this one right here is tough. I know ur up there with daddy and please tell him I love him and give him a huge kiss for me. I miss yu so much even tho i stayed in Ms I could still call yu anytime jus to hear ur voice and to imagine that smile.. im so blessed to have gotten to spend ur last days with yu.. I'm so grateful!! If I known Wednesday was our last day together I would've held ur hand and kiss yu and talk to yu a Lil longer. Continue to watch over us grandmommy and save me a seat in between yu and daddy.. I love yu forever and always 🥹🥰 until we meet again rip beautiful 😊😊🙏🙏🙏🙏🙏🙏

“ *Grandma was the sweetest person that I've ever met. She was always there for me whenever I needed to talk. I could come by just to sit with her and not say a word. Every time I left she say " I love you Dane Dane" she called me her #1 she's my angel forever and when it's my time to go I know I will see her she will be waiting by the fountain (insider)*
