“ *Our thoughts are with your family. We are deeply sorry for the loss of your mother. One day soon, death will be eliminated for good (Isaiah 25:8), and we'll have the opportunity to welcome back our loved ones. We look forward to that time with you.*

Thank you so much for the love that you have shown me, I will miss the way you made me feel every time I saw you it was as though I was a Queen ,my Mom showed me the same love! I did not know when we spent that Sunday together it would be the last time but I thank God for it ,we sang ,cried, laughed but most of all you blessed me, you said that your voice was hoarse and that you couldn't sing and I told you... yes you can and that is what you did ...sang to the Lord. Keep singing Mother Jones and take your rest...Love always ..Sister Joan
