“ When I think of Gaia only good memories come to mind. She was always a beautiful person with a kind heart and a loving soul. She never tried to enforce her will on anyone. She would simply let you be who you were. If you asked for help then she would give you the greatest nuggets of wisdom. She will always be a part of my heart and someone I remember forever. Peace and Blessings Mother Earth. 💜💜💜

“ My condolences,I will miss my sister in law she was a caring trusted family member and a loving caring person. I could always call on Lillian when I needed her,she came to my aid in my much younger years when I need her wisdom and understanding the most. I visited Lillian when ever I went to Flordia she was a must see and do for me. I will forever remember her and pray that her sins be forgiven and her soul Rest In Peace.
