“ From the top of the stairs in the tower where he was working for me ( he was my cs go to person) he would always yell "hey you". It was never hello. We always joked about how much money he was making by working so hard. He would say when my ship comes in. He was the best to work with, to listen, give grounded advice. Calm tempered, Altho a few psgrs and agents got under his skin. He truly loved AA and airplanes. The last time I talked to him, I was about to become a grandma. He, with his smiling, proud face, went on about how great it is to be a grandparent. He loved his grand babies! He made me excited about it. I will truly miss him. It will never be the same flying into MCO. Continued prayers for peace and healing Sharonah and family. May God bless you!

“ *A truly unforgettable, kindhearted & admired man. Simply, a "one-of-a-kind" person that emitted positivity. His dedication, generosity & professionalism rose to unfathomable heights, each and everyday. His friendship rose even further.
