“ Granny! I love you beyond words can express, I know you don't want me in tears but I cannot help but mourn over your walk into heaven. It hurts so much but I know you are at peace. I will attempt to remain strong. I will continue to carry your name proudly and raise Z up right. I will keep in touch with granddad and make sure he is taken care of. This is well with my soul, your spirit can finally be free. I hope you heard me when I spoke to you and said my final goodbye. Save me a seat, I will see you again. Tell my momma hey from her baby girl (muah)

“ Grandma, you meant the world to me I can't believe you have past on! I know you loved the lord and you are flying high with your new wings ! shouting and singing!! the lord allowed you a long life and we had a lot of good times together. Laughing and crying Please say hello to my mother for me. I can't wait to tell all the funny stores at the funeral ! Am going to miss shopping every time we went out we always stopped and got lunch and I got a nice outfit I'll never forget the legacy you left behind. You raised 7 boys and kept your house in order and did it with grace. A devoted wife and mother and grandmother one of a kind! Am sad but am rejoicing because I know you are safe in his arms
