“ *In Times of Sorrow: My you see God’s light on the path ahead when the road you walk is dark. May you always hear, even in your hour of sorrow, the gentle singing of the Lark. When times are hard may hardness never turn your heart to stone. May you always remember when the shadows fall, you do not walk alone. We ask for the prayer of Transformation, and the prayer of Restoration. Bless those who mourn, eternal God, with the comfort of your love that they may face each new day, with hope and the certainty that nothing can destroy the good that has been given. May their memories become joyful, their day’s enriched with friendship, and their lives encircled by your love.*
