“ *Hey auntie, its going on two years since you have been gone. All I can think about is how you were there for me when I lost my son. You went with my mother and I to make his arrangements and everything. You always had such a big, beautiful heart. I will never forget how you opened your home to us when I was a little girl. You have always been a sweetheart in my eyes. You were also very straight to the point and will tell anyone how it was. No matter what though, your big heart over shadowed everything. i really miss you and love you so much. You know Lois and I have been really close since I was a young girl. She misses you and Robere so much, but finds comfort in the both of you being together. I try to be there for her at all times, and she does the same for me. I just want you to know that you will never be forgotten. Thank you for always being there for me. Love always your niece Mika*

“ *My sympathies to the Springer family. Our heavenly Father assures us: I, Jehovah your God, am grasping your right hand, the One saying to you, 'Do not be afraid. I myself will help you.'—Isa. 41:13. He will help you get through this time of loss.*
