“ Our condolences, thoughts and prayers goes out to the Clairmont family, at this painful time. Lynette was much loved and will surely be missed. She would always check in with me, to see how my family was doing, and I appreciated her for always keeping in contact with me. Then she started texting, and would send me some of the most beautiful gifs. My heart is hurting, because I am missing her dearly. I send lots of love to the Clairmont family.
