Marco Louise Phillips was July 21, 1973, to the late Sam Took and the late Dollie Mae Phillips Dawkins. ### TIME TO ENJOY

Marco A.K.A. Margo was a devoted Mother, Sister, Aunt, and an all-around dedicated family member. She had a quiet calm spirit about her until you got her timing wrong. Her presence was endearing and assuring to all her family and friends. As quiet as she seemed, Margo was full of life and a super mom. She wore all capes well and never failed to tip her crown. Margo was full of sparks when it came to that card table and always wanted to win. She enjoyed spending quality time with her family. Her spirit was so sweet and beautiful that you wanted nothing but her presence to keep peace. She embraced family gatherings and cook outs with love. Margo's heart was overwhelmed with joy when children were in her presence. It did not matter whose child they were; they immediately became her pride and joy. That sweet spirit will be graciously missed among this family.

### TIME TO REST
