“ I'm looking at our child, a picture in a photo album, gathered memories, pictures with tears upon them. God came and took you who made my life complete, and all that's left are pictures, our child, and your empty chair that you sit in my home. I also have a feeling deep down within my heart, it's the pain of emptiness, since we've been apart. I try not to let the grief and sorrow overcome my day, I'll blow a kiss to heaven and send it on its way. I'm living with a heavy heart right now feeling all so blue. But all I know I lost my bestfriend and my everything. I LOVE YOU MARCUS! Love you always Erica
