“ Though you weren't a Kissimmee native, you were as much a part of our community's fabric as any of us that were born there. I'll always remember your big smile, wonderful personality and your hearty laughter when my father frequently teased you about that one thing in particular. Remembering , too, your time on Brack Street and Tarpon Street with my Aunts & Cousin. I hope that you knew that I am forever moved by your warm reflections shared during my father's funeral service. Now you have joined the Ancestors - I pray that yours is an externally blessed journey and that your family is covered with the Almighty's Comfort, Peace and Strength.
