“ Many years ago I taught at Sumter Correctional Institutiion in Bushnell, where Ms Duboise had taught for years before I came. She was an incredible mentor to me, and I was in awe of her professionalism and compassion for her students. She clearly made a difference in so many lives! Her commitment to her family and faith were always so much a part of who she was. My deepest sympathy goes to her family. Fondly, Vicki Dobbs

“ I did not know Margaret but I have had the pleasure of working with her daughter Karen for the past three years. Our children are the true test and reflection on us a human beings and based on the wonderful person Karen is I am sure her mother was a beautiful human being.
