“ *My heart goes out to mrs seales family. Her voice and words of encouragement to a retired veteran like me and how god is faithful and good to my family, have been a true blessing. The world will miss her light she has brought to the LCSW profession. May the lord richly come alongside the family, friends, and colleagues that know her.*

sincere condolences,

“ *I extend my heartfelt sympathy to the family, her children & former husbands.*

I remember when her mother died instead of sending flowers, I invited her to a Roberta Flack concert to soothe her hurts and soul. The concert was priceless. It blessed us both as Roberta sang all of her hits that night. And thus was the beginning of years of friendship. I loved Margaret's zeal for life and her unselfish caring of people. She had the ability to relate to anybody! Extraordinarily beautiful inside and out - I will miss her dearly.

“ *To the Seales Family
Words can not express the feeling that I had when I found out the Margaret Seales passed away. She was my social worker at the VA. Her kindness that she gave me during my VA visits will always be remembered. Margaret Seales will be missed by me and my family.*

“ *I am a co-worker with Mrs. Seales. She was so kind, caring, and always wanting to share her "sweets:" with me. My prayers with the family during this sad time.*
