“ *It is so hard to believe you are gone. You have been a part of my life for over 38 years. You have been the best father, grandfather and mentor I have every known. You set the bar for men that has been hard for some to reach. It is going to be so hard for Boobie, Sean and all of the grandkids, family and friends to go on without you. Just the love some many people had for you is testimony of the man you were. I love you Daddy Joe I thank God for you and pray I see you on the other side. I know Grandma Mary Ida and Uncle Charles glad to have you. Rest In Peace*

“ I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love. Although no words can really help to ease the loss you bear, just know that you are very close in every thought and prayer.
