

Markerion Marqueeze Espinoza

July 29, 2003 - December 27, 2025

Markerion had a love for running and was a member of the cross-country team in middle school, where his determination and quiet strength already began to show. He later attended Mount Dora High School, continuing to grow into the young man we all admired. Music was one of his greatest passions-he found peace in playing his guitar, and he loved spending time fishing, enjoying the calm and stillness of the water.

Markerion was an amazing big cousin. He never hesitated to spend time with the younger kids, whether it was outside playing football or sitting down to play video games with them. He had a natural way of making everyone feel included and cared for. Markerion truly loved people. He was gentle, soft-spoken, kind, polite, and respectful to everyone he met. His heart was pure, and his presence brought warmth to those around him. He will forever be remembered for the love he gave so freely and the quiet light he brought into our lives.
